

PRESS RELEASE

National Company Law Tribunal Introduces New Framework for Listing of Cases

New Delhi, 13 August 2026

The National Company Law Tribunal (NCLT) has issued comprehensive administrative instructions for uniform Registry practice and structured management of Cause Lists across all its Benches.

The initiative has been undertaken under the direction of Hon'ble Justice Anupinder Singh Grewal, President, NCLT, with the objective of strengthening case-flow management and bringing greater uniformity to listing practices across the Tribunal's Benches.

A significant feature of the instructions is the prescribed sequence for listing matters under the statutory categories, with older pending matters within each category to be listed first. Priority has been accorded to admission matters under the Insolvency and Bankruptcy Code, 2016 and applications for approval of resolution plans, which are to figure prominently at the top of the Cause List. The prescribed sequence is intended to bring greater consistency and discipline to the taking up of matters, while preserving the discretion of the Hon'ble Bench to specially direct the listing of any matter in an appropriate case.

The instructions also provide flexibility in the listing of matters on designated days. While specific days are earmarked for Companies Act matters, IBC matters may also be listed on such days where required, and Companies Act matters may, in appropriate cases, be listed on IBC days. This ensures that the designated-day system does not become an impediment to urgent or time-sensitive adjudication.

A further significant measure concerns the management of Cause Lists after publication. Matters in the Supplementary Cause List which cannot be taken up due to paucity of time or for any other reason will ordinarily be carried forward to the Supplementary List of the next working day, unless otherwise directed by the Hon'ble Bench. Once a regular Cause List is published, no Revised Cause List will be issued; additions, deletions and corrections will instead be dealt with through Supplementary Cause Lists, Deletion Notes and Corrigenda, respectively. A registered matter is also required to be listed at the earliest available opportunity and ordinarily not later than three working days from the date of marking to the appropriate Court. The framework further provides for single-stage scrutiny of fresh filings, while enabling matters involving objections requiring judicial determination to be registered and placed before the Hon'ble Bench "With Defects" for appropriate orders.

Standard Mentioning, Adjournment and Appearance Slips have also been introduced to bring greater uniformity in courtroom practice. Provision has been made for electronic submission of Appearance Slips by Counsel/Authorised Representatives appearing through Video Conferencing.

The instructions have been framed after consultation with members of the Bar, with a view to promoting uniformity in practice and procedure across all Benches of the Tribunal, while facilitating orderly and expeditious adjudication.

CIRCULAR

Subject: Administrative Instructions regarding Registry Practice, Listing of Cases and Preparation of Daily Cause Lists before the National Company Law Tribunal– reg.

In order to ensure uniformity of procedure in registration and listing of cases across all the Benches of the National Company Law Tribunal, the following administrative instructions are hereby issued for compliance by all Registries.

These instructions supplement Rule 28 and 89 of the National Company Law Tribunal Rules, 2016 and shall be read harmoniously with the provisions of the Companies Act, 2013, the Insolvency and Bankruptcy Code, 2016 and any specific directions issued by the Hon'ble President or the concerned Hon'ble Bench.

1. Scrutiny of Petitions and Applications

- (i) The Registry shall scrutinize every petition, application or appeal in accordance with the provisions of the National Company Law Tribunal Rules, 2016, the applicable statutory requirements, the Scrutiny Checklist annexed to this Circular as **Annexure-I**, the SOP dated 02.04.2025 issued by the Principal Bench and such other instructions as may be issued by the Tribunal from time to time.
- (ii) The Registry shall, as far as practicable, identify and communicate all defects in a single scrutiny so as to avoid repeated re-filing and facilitate expeditious listing of matters. Fresh objections shall not be raised subsequently unless necessitated by any document or pleading filed thereafter, any material change in circumstances, or where an objection could not reasonably have been identified during the initial scrutiny.
- (iii) The Registry shall distinguish between:
 - (a) Curable office defects requiring compliance before registration; and
 - (b) Objections involving questions requiring judicial determination.

- (iv) Curable office defects, including defects relating to filing requirements, court fees, affidavits, authorisations, vakalatnama, pagination, bookmarking, OCR of files, prescribed forms, filing of requisite documents and other procedural compliances, shall be cured before registration of the matter.

However, where a party demonstrates that, despite due diligence, a particular defect cannot reasonably be cured before registration, and such defect does not prevent the matter from being placed before the Hon'ble Bench, the Registry may, for reasons to be recorded and subject to the approval of the Deputy Registrar/Joint Registrar in charge of scrutiny, permit registration of the matter upon obtaining an appropriate undertaking from the party. The undertaking shall, as far as practicable, be in the format prescribed in **Annexure-II** to this Circular.

Illustratively, such cases may include filing of illegible documents obtained from statutory records or public portals; documents not presently available in a legible or complete form despite reasonable efforts; documents executed or obtained outside India in respect of which Apostille, Consularisation/Legalisation or other authentication is awaited or could not presently be obtained; or similar circumstances where the party undertakes either not to rely upon such documents unless permitted by the Hon'ble Bench, or to file duly authenticated, legible or complete copies, as the case may be, within such time as may be directed by the Hon'ble Bench.

- (v) Where the objections raised by the Registry involve questions requiring judicial determination, including but not limited to issues relating to jurisdiction, maintainability, limitation, interpretation of statutory provisions, applicability or necessity of any prescribed form or document, or any other issue which the Registry is not competent to decide, and the party requests that the matter be placed before the Hon'ble Bench, the Registry shall not assume an adjudicatory role by finally determining such objections or indefinitely withholding the matter solely on that ground.

Where appropriate, the Registry may also obtain an undertaking from the party in the format prescribed in **Annexure-II**, subject to orders of the Hon'ble Bench.

- (vi) In cases covered under clauses (iv) and (v), after assigning a case number, recording the outstanding objections in brief and obtaining the undertaking, wherever required, with the approval of the Joint Registrar/Deputy Registrar in charge of scrutiny, the Registry shall prepare an Office Report in the format prescribed in **Annexure-III** to this Circular, record the outstanding objections

therein and list the matter before the appropriate Hon'ble Bench with the endorsement '**With Defects**' for appropriate judicial orders..

- (vii) The Hon'ble Bench may pass such orders as it deems fit, including directing removal of defects, deciding the objections, granting time for compliance, or passing such other orders as may be considered appropriate. The Registry shall ensure compliance with such directions.
- (viii) In respect of pleadings, affidavits, documents or applications filed during the pendency of proceedings pursuant to the directions of the Hon'ble Bench or otherwise, the Registry shall endeavour to ensure that scrutiny does not result in avoidable delay in placing such filings before the Hon'ble Bench, keeping in view the statutory timelines prescribed under the applicable laws.

2. Registration and Marking of Cases

- (i) Every petition or application shall, immediately upon completion of scrutiny and registration, be assigned a case number and marked to the appropriate Court.
- (ii) No registered case shall remain unmarked beyond the close of working hours of the day on which it is registered.
- (iii) At Benches having only one Court, every registered matter shall be marked to that Court.
- (iv) At Benches having more than one Court, cases shall be allocated to the appropriate Court with the approval of the Head of Department of the concerned Bench, till the implementation of electronic allocation of cases in the CIS.
- (v) Wherever connected matters are required to be heard by the same Court under any statutory provision or administrative direction, including matters covered under Section 60(3) of the Insolvency and Bankruptcy Code, 2016, the Registry shall ensure that such matters are marked to the appropriate Court.

3. First Listing

- (i) Immediately upon allocation of a matter to the concerned Court, the same shall be reflected in the Court Information System (CIS).
- (ii) The Court Master shall ensure that every newly marked matter is listed before the Hon'ble Bench at the earliest available opportunity and not later than three working days from the date of such marking.
- (iii) Where any matter is not listed within the aforesaid period, the reasons therefor shall immediately be brought to the notice of the concerned Hon'ble Bench by the Court Master concerned. Such instances shall also be reported by the Court

Master at the close of Court working hours every Friday to the designated Registrar of the concerned Bench and to the Registrar, National Company Law Tribunal, Principal Bench, along with the reasons for such delay.

- (iv) The Registry shall endeavour to ensure that no matter remains pending at any administrative stage, including scrutiny, registration, marking or first listing, for reasons attributable to the Registry.
- (v) The Joint Registrar/Deputy Registrar at the respective benches shall periodically review matters awaiting first listing and take appropriate administrative measures to avoid delay.

4. Preparation of Daily Cause List

The format of the Cause List, including the first page containing the general instructions, Court timings and such other information as may be considered necessary, shall be in conformity with the format followed by the Principal Bench, New Delhi, as revised from time to time.

Once a Regular Cause List has been published, no Revised Cause List shall be issued. Any addition of a matter to the Cause List shall be notified through a Supplementary Cause List. Where any matter is required to be deleted from the Cause List, a Deletion Note shall be issued with the approval of the concerned Hon'ble Bench. Any correction in the Cause List, including clerical or typographical errors, shall be notified through a Corrigendum.
- (v) Where any matter forming part of the Supplementary Cause List could not be taken up due to paucity of time or for any other reason, the same shall, unless

otherwise directed by the Hon'ble Bench, be carried forward and included in the Supplementary Cause List of the next working day. Such matters shall be taken up first in the Supplementary list of the next working day.
