Mr.Rahul Balaji

Common Order

O.A. No.1130 of 2026: The applicant is seeking an order of interim injunction restraining the 37th Respondent, who is the 42nd Defendant in the suit from mirroring any further websites, redirect and alphanumeric variants, by themselves, or through anyone claiming through or under them from coping , recording, comcording, reproducing, uploading, downloading streaming, busting, making available, communicating to the public or in any other manner

infringing the Applicant/Plaintiffs copyright in the cinematograph film **Jailer 2** in Tamil and in any other language in which it is dubbed or released, under the same title or otherwise, pending disposal of the suit.

2. O.A.No.1131 of 2026: The applicant is seeking an order of interim injunction restraining the 1 to 5, who are the defendants 34 to 38 by themselves, their partners, proprietors, directors, heirs, representatives, successors in business, assigns, distributors, agents, servants, or anyone claiming through or under them from copying, recording, reproducing, camcording or allowing camcording, transmitting, communicating, making available, downloading exhibiting or playing the Cinematograph film Jailer 2 in Tamil and in any other language in which it is dubbed or released under the same title or otherwise, pending disposal of the suit.

3. A.No.4432 of 2026: The applicant is seeking an order of direction directing the respondents 1 to 33/defendants 1 to 33 to block access to the websites set out in Schedule and to such further websites, mirror, redirect and alphanumeric variants, URLs and links (including their prefix and suffix variants) as may be notified to them in writing by the Applicant/Plaintiff and/or by its agents, namely Aiplex Software Private Limited and Block x Technologies Private Limited through their respective email IDs.

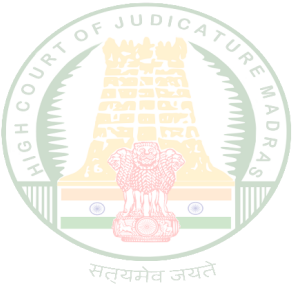

4. I have heard the learned counsel for the applicant/plaintiff and also have gone through the suit documents which evidence the fact that the applicant/plaintiff is the producer of the film “Jailer 2” and when the plaintiff has come before this Court specifically alleging that he has not granted any authorisation or licence to any person whomsoever and more so, the defendants, who are likely to infringe and release the film unauthorisedly, without proper authority or licence from the applicant/plaintiff, I am satisfied that the applicant/plaintiff is entitled to an interim order as prayed for, having made out a prima facie case. If the applicant’s rights are infringed, the applicant would be put to irreparable hardship. The balance of convenience is also in favour of the applicant for grant of interim orders as prayed for.

6. Notice to the respondents, returnable by 10.11.2026. Private Notice is also permitted. Applicant shall comply with Proviso (b) to Rule 3 of Order 39 CPC.
